Tenth Month

Finn Green, 10/16/08

In this Issue

From the Editor:

Minutes from Ninth Month's meeting for worship with a concern for business were not available in time to be published in this issue. Announcements submitted regarding upcoming events have been abbreviated and included in the Calendar.

Please note: As Editor, I do not write the newsletter; rather it is my job to edit material submitted to me. After consultation with Clerk David MacInnes, it was decided that insufficient material has been submitted this month to justify the cost of printing and mailing the newsletter. I have, therefore, restricted this issue to one page and am sending it only to those on my email distribution list. A few copies will be printed for local distribution.

I have also received several notifications of "new" phone numbers and addresses. All, save one, have been published previously and appear in the recently distributed *Handbook Directory 2009-2010*.

My intention is to distribute the newsletter no later than the last Sunday of the month, which will be October 25th for the November issue. Material for the newsletter should be submitted, preferably by email, **no later** than **Tuesday, October 20th**. Thanks to everyone in advance for your help.

Tenth Month's Query

Manner of Living

Do we endeavor to live in harmony with nature? Are we careful in our stewardship of the world's irreplaceable resources?
